

B140 Single-Cup Commercial Brewing System

**Keurig's Small Office Single-Cup Brewing Sensation
Gourmet Coffee One Cup at a Time with No Mess or Cleanup**

“With Keurig it’s as easy as Choose...Brew...Enjoy”

Choose...

Over 100 varieties of gourmet branded coffees and teas are available with the Keurig System, including hot cocoa.

Enjoy Coffees and Teas from the Premier Growing Regions of the World. Only Keurig offers you access to an entire world of inspiring options. That means single-origin coffees from Costa Rica, Mexico, Nicaragua, Guatemala, Columbia, Brazil, Kenya, Ethiopia, Sumatra, and Hawaii. Whether you have a taste for bold, mild, exotic, fragrant, dark, or light, with a Keurig System in your office each person’s own perfect cup is available in under a minute.

“Incredible convenience. Keurig has saved me hundreds of trips to the coffee shop.”
—Michael King

“I don’t know how we ever lived without it.”
—Frances Caello

Brew...

The secret behind the Keurig Brewed® sensation—our Patented K-Cup® portion pack.

An airtight lid and cup lock out oxygen, light, and humidity, locking in freshness and flavor.

BREW IN JUST 3 EASY STEPS

Step 1.

Lift brewer handle

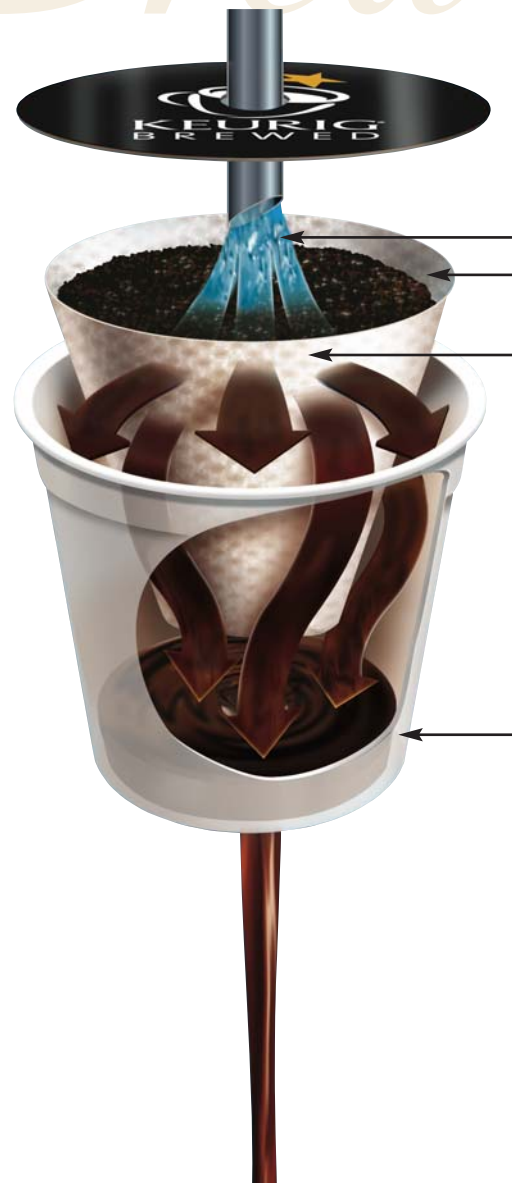

Step 2.

Place K-Cup and close the handle

Step 3.

Select cup size and press brew button

- Hot water flows through the K-Cup at perfect temperature under precise pressure.
- The ideal grind and measure in every K-Cup for the coffee variety you choose. The freshest 100% Arabica gourmet beans or tea leaves.
- A pure paper filter assures superior brewing results.
- Freshly brewed inside so no residual taste is left behind to spoil your next cup.

Enjoy...

Gourmet coffee with no mess or cleanup.

The Keurig Brewing System is the perfect solution for everyone in your office. Not only will they be able to satisfy their individual tastes, but they’ll also enjoy the convenience of having the gourmet experience of the B140 available from the breakroom to the boardroom.

Keurig Makes Office Brewing Deliciously Simple®

The B140 commercial brewer is the perfect size for small businesses, individual offices, conference rooms, and waiting areas. With its small footprint, the B140 fits almost anywhere, and its sleek design complements any décor.

The B140 Commercial Brewer Features

DRAIN BREWER – Press and hold button to drain internal hot water tank.

When top selector switch is set to "Drain," internal hot water tank empties into external cold water tank.

AUTO OFF – Press to automatically turn brewer off in two hours. (Light is green when activated.)

BREW BUTTON AND CUP SIZE SELECTION SWITCH – Flashes blue when ready to brew.
