B3000 Single-Cup Commercial Brewing System

Keurig's Most Advanced Brewing System for Large-Size Offices
Gourmet Coffee One Cup at a Time with No Mess or Cleanup

“With Keurig it’s as easy as Choose...Brew...Enjoy”

Choose...

Over 130 varieties of gourmet branded coffees and teas are available with the Keurig System, including hot cocoa.

Enjoy Coffees and Teas from the Premier Growing Regions of the World. Only Keurig offers you access to an entire world of inspiring options. That means single-origin coffees from Costa Rica, Mexico, Nicaragua, Guatemala, Columbia, Brazil, Kenya, Ethiopia, Sumatra, and Hawaii. Whether you have a taste for bold, mild, exotic, fragrant, dark, or light, with a Keurig System in your office each person’s own perfect cup is available in under a minute.

Thanks to our new Keurig Office Brewer, I now have the luxury of choosing whatever flavor of coffee or tea I want, when I want, and it’s always fresh.”
— Rovena

“I love our Keurig System. And the incredible choice of gourmet coffees and teas blows our old system away!” — Curt

Brew...

The secret behind the Keurig Brewed® sensation—our Patented K-Cup® portion pack.

An airtight lid and cup lock out oxygen, light, and humidity, locking in freshness and flavor.

BREW IN JUST 3 EASY STEPS

Step 1.

Lift the brew handle

Step 2.

Place K-Cup and close the handle

Step 3.

Select one of four cup sizes and press the button

Hot water flows through the K-Cup at perfect temperature under precise pressure.

The ideal grind and measure in every K-Cup for the coffee variety you choose. The freshest 100% Arabica gourmet beans or tea leaves.

A sophisticated filter assures superior brewing results.

Freshly brewed inside so no residual taste is left behind to spoil your next cup.

Enjoy... Gourmet coffee with no mess or cleanup.

The Keurig Brewing System is the perfect solution for everyone in your office. Not only will they be able to satisfy their individual tastes, but they’ll also enjoy the convenience of having the gourmet experience of the B3000 available from large break rooms to cafeteria settings.
